### **Winemaker's Notes**

Château des Charmes Vidal Icewine is a wonderfully sweet nectar fermented with wild yeasts. It exudes aromas of apricots and honey with a beautiful balance between fruit, sweetness and acidity. Icewine is a gift of winter to be enjoyed on its own or served with dessert.

**"Yum! Doesn't get much better than this for Vidal Icewine. Voluptuous, round and luxurious. Drink: 2008-2012. 93 pts."**

– *Natalie MacLean, NatDecants, December, 2008*

**"With smells of apple, peach and honey, and a palate to match, this is an excellent example of how Vidal Icewine should be made. Factor in the lengthy finish that sticks around in the mouth long after you swallow - and you've got yourself the perfect dessert wine."**

– *Michael Pinkus, ontariowinereview.com, October, 2008*

**"The Bosc Family's superb touch with icewine continues. This wafts wonderful, complex aromas of papaya, apricot and honey on fresh bread, with an intriguing back note of butter-mint candy. Full-bodied, viscous, creamy and very sweet, yet pinned on precise, playful acidity and a lemon/peach finish. Excellent length. Poised and delicious. Enjoy now, but should hold through 2013. 93 pts."**

– *David Lawrason, Wine Access, June/July, 2008*

**"A delicate wine, with mushroom aromas and flavours and hints of clementine and fruit cocktail. Drink now through 2010. 88 pts. Very good; a wine with special qualities."**

– *Wine Spectator, May 15, 2008*

**"Always one of the best Vidal Icewines on the market! This vintage offers up an intense nose of peach, honey and apple as well as excellent length and just the right amount of acid. 91 pts."**
